3. Find 3 Chinese newspapers, wherever you find them (in the library, at supermarkets or online), and give the following information for each. Do the following in Chinese if possible.

a. The name. Where is it published? Is it in simplified or traditional characters? Free or not? Date of publication of the particular issue you saw. Note the format of date. Is it different from English? If so, what it is (see the file 'newspages' for examples) ? What did you notice in format and layout that is different from an English newspaper?

b. **How many pages are there? What are they called? What are they about?**

1. 世界日報

Published in Los Angeles

Traditional Characters

50 cents

Date of publication: Thursday, January 26, 2017

Date format is the same as English Newspaper

This newspaper is filled up with words and not much empty space compared to English newspapers.

2. 聖地亞哥日報

Published in San Diego

Traditional characters

Free

Date of publication: January 26, 2017 Thursday

Date format is similar to English newspaper
